Covid-19 vaccine

The NHS will get in touch when it's your turn to be vaccinated

Find out about the roll-out at nhs.uk/CovidVaccine

Our Covid-19 infection rate is very high

This week has seen the highest ever reported levels of Covid-19 cases across the West Midlands, including in Sandwell.

[Deputy Leader Councillor Maria Crompton talks through the current national lockdown](#), how vital vaccination is and the latest safety advice.

 A big thank you to everyone who is following all the guidance and supporting the response to Covid-19 in Sandwell.

Shopping? Stay safe

Busy shops, supermarkets and any other indoor areas carry a real risk of infection.

[We have asked supermarkets to step up their Covid-19 safety measures](#) to help combat the surge of infections.

Our supermarkets and their staff play a vital role in keeping everyone supplied with food and other essentials and we thank them for all their hard work over the past year.

Please stay at home as much as possible and be very careful if you do visit shops for basic supplies and, if you can, visit shops alone.

Please shop safely

If you feel unwell
YOU MUST STAY AT HOME

Keep a safe distance
from other people

Wear a face
covering

Use hand gel if you
can and wash your
hands as soon as
you get home

Community spirit in difficult times

We need to protect our most vulnerable people now more than ever.

If you are going to the shops for essentials, why not check if your older or vulnerable neighbours need anything fetching?

Always remember the basics, Hands, Face, Space, to protect yourself and others.

CORONAVIRUS

STAY HOME TO SAVE LIVES

The new COVID-19 variant is spreading fast.
We all need to stay home.

STAY HOME ▶ PROTECT THE NHS ▶ SAVE LIVES

NHS

HM Government

How to self-isolate:

- ✓ Work from home if you can
- ✓ Get essentials delivered to your door
- ✓ Exercise in your home or garden
- ✗ Do not leave your home
- ✗ Do not have visitors
